

DRAFT OUTLINE MAJORS
2015

- Draw from a hat for draft order
- Serpentine format
- No Coach will be allowed to draft more than 8 players of the same age. If this particular situation arises, that Coach will be skipped in that round of the draft.
- Head Coach's kids will be off limits to other teams and will be drafted according to age: 12 year olds in the 3rd round, 11 year olds in the 4th round, and 10 year olds in the 5th round.
- Assistant Coach's kids will be off limits to other teams and will be drafted in the last round.
- To obtain special draft considerations for an Assistant Coach's kid, that Assistant Coach must have submitted a volunteer application and a Coach's application stating their intent to assist a particular Head Coach prior to the beginning of the draft.
- The draft will be split into two phases; Phase 1 will consist of all the 12 year olds and Head Coach's kids, and Phase 2 will consist of all sub-12 year olds and Assistant Coach's kids.
- Head Coaches that have an Assistant Coach with a 12 year old ballplayer will not be allowed to draft more than seven 12 year olds during phase 1 of the draft.

To clarify:

If there are 9 Teams in the draft process, Team #1 will begin the draft with a legitimate first round pick, then Team #2 and so on and Team #9 will obtain the 9th and 10th pick. This serpentine order will continue, Head Coach's kids will be drafted where applicable and phase 1 will continue until all 12 year olds (except verified Assistant Coach's kids) are drafted. Once Phase 1 is completed, Phase 2 will start with Team #9 drafting the first unattached sub-12 year old, then Team #8 and so on and Team #1 will obtain the 9th and 10th pick of Phase 2. This serpentine will continue until all Teams have 11-12 players. Teams with Assistant Coach's kids will draft those ballplayers in the 11th and final round.
